

Green Valley Oil Services is now registered as a Drilling Contractor & Associate member in the International Association of Drilling Contractors (IADC). The IADC exclusively represents the worldwide Oil and Gas drilling industry. IADC is headquartered in Houston and is one of the city's largest trade and professional associations. IADC's mission is to advance drilling and completion technology; improve industry health, safety, environmental and training practices; and champion sensible regulations and legislation which facilitate safe and efficient drilling. GVOS is proud to offer oilfield and drilling services that assists the market with the latest technologies in the Oil and Gas industries. GVOS owns three onshore 1000 HP Drilling rigs and two onshore 750 HP Workover/Drilling rigs. As for our services we also provide:

- Drilling Contractor.
- Completion Products (Workover, Well intervention, Stimulation and Well Servicing).
- Drilling equipment and supplies.
- Onsite Drilling Services.
- Equipment repair services.
- Rental tools.
- Transportation equipment services.
- Well control services (Firefighting, Equipment...etc.).
- Production equipment including (Well heads, Tanks, Separators...etc.).
- Education and training products.

IADC holds consultative position at the International Maritime Organization and observer position at the **International Seabed Authority**. The Association is a leader in developing standards for industry training, notably its

Control Accreditation Program® (WellCAP)

® and rig-floor orientation program,

RIG PASS®

among others.
